The exhibitor receives a confirmation after acceptance of his registration. The exact distribution of the stands will be done by the organizer at a later date and based on the incoming order of the registration forms. The allocation of booth conforms with the temporally order of the incoming registration. For assigning exhibiting rights to a third party, a written authorisation from the organizer is necessary.

The specified schedule for assembly and disassembly has to be followed strictly.

5. Liquidation of contract

Registered companies, which have received a written confirmation, can withdraw from the contract free of charge until September 30th, 2012.
